

### **General Facts**

- FIFA is creating the FIFA World Football Museum to **celebrate the rich heritage of football and show how the game continues to connect and inspire the world.**
- The start of construction was in May 2014 and it is meant to end in December 2015, resulting in **20 months construction time** in total. The opening is planned for early 2016 (Q1).
- There will be about **3500 square meters of exhibition space** covering 3 floors.
- There will also be about **1500 square meters of public space** including a Merchandising Shop, a Sports Bar and the Museum Bistro-Cafeteria.
- The upper floors of the building will house **offices for about 140 workstations as well as 34 apartments.**

### **The Museum**

- The Museum Exhibition will show **more than 1000 Exhibits** in an interactive, multimedia world of experiences.
- The FIFA World Football Museum's **Main Hall** on the ground floor celebrates all of FIFA's member associations. Also on the ground floor, **The Timeline** tells the story of the modern game in a brushstroke.
- **The second floor** of the FIFA World Football Museum is located in **the underground**. It houses the FIFA World Cup Gallery, which covers **all FIFA World Cups** in chronological order and where the **original FIFA World Cup Trophy** will be on display.
- The final of the 3 floors of the FIFA World Football Museum is named **"Fields of Play"**. Located on the first floor of the building, it illustrates the **influence of the game** on society. One of the highlights of this floor will be the **Game corner** and the newly created **giant Pinball machine**.
